Post 16 Football Education Programme at Langley Park School for Girls in partnership with Palace for Life

September 2027 entry

Combine your passion for football with full-time Sixth Form study at LPGS6. The programme offers football development alongside academic or vocational qualifications, supporting your next steps in education, employment and sport. Our mixed Sixth Form welcomes applications from both boys and girls, whilst the football education programme is for girls aged 16-19 in our Sixth Form.

Step 1: Choose your study pathway

All applicants must meet the Minimum Academic Entry Criteria for their chosen pathway, including any additional subject-specific requirements.

Study pathway	Minimum GCSE Average Point Score (APS)
4 A levels OR 3 A levels + Extended Project Qualification (EPQ)	**7.0**
3 A levels	**5.3**
Vocational qualifications	**4.0**
Mixed pathway (A-Level and vocational)	**4.9**

APS (Average Point Score) is calculated by adding your best eight GCSE grades and dividing by eight. You must have taken at least eight GCSE examinations.

Step 2: Check the subject-specific requirements for your chosen courses

Read our Sixth Form Prospectus and Course Details to understand more about the A-Level and vocational courses on offer to you. You can additionally explore the subject specific videos to gain an insight into what and how you will be studying and where these courses lead to.

Course information, prospectus and subject videos

Step 3: Apply online - how to apply

1. Explore the courses and attend an open evening event to discuss your options. Register your interest in the football education programme with Palace for Life and/or additionally on the online application form for our Sixth Form. Palace for Life will provide guidance on trials and assessments.

2. If you attend another school, complete the online Sixth Form application through Applicaa. Applications open in December 2026. Your completed form is submitted automatically to Langley Park School for Girls.

Click here to access our online application form
https://lpgs.applicaa.com/sixthform

3. Students currently attending Langley Park School for Girls in Year 11 are required to complete their subject choices in Applicaa and to express their interest in the football education programme on our application form.

PLEASE NOTE: Registering interest in football does not replace the Sixth Form application or guarantee a Sixth Form place. All entrants to our Sixth Form are required to meet the Minimum Academic Entry Criteria and subject specific entry requirements to ensure your suitability for Post 16 study on our courses and future academic success.

Your application timeline

When	What happens
Thursday 3rd December 2026 5–8pm	**Sixth Form Open Evening** **No advance booking required.**
Friday 4th December 2026	**Sixth Form applications open.**
Thursday 4th February 2027 5-7pm	**Additional Sixth Form Open Event** Please see details on school website nearer the time
Friday 5th March 2027	**Closing date for Sixth Form applications**
April 2027	**External applicants notified of application outcomes. All offers are provisional.**
Summer 2027 dates tbc	**Sixth Form Induction/Taster Days**
Thursday 19th August 2027	**GCSE Results Day** Enrolment for LPGS Sixth Form
Friday 3rd September 2027	**Year 12 begins**

What happens after applying?

Applicants may be invited to a guidance meeting to discuss predicted grades, course choices and future aspirations.

Sixth Form offers remain provisional until GCSE results are known. Where applications exceed available places, the published oversubscription criteria apply; the school does not rank applicants by highest GCSE grades or APS.

Please see our admissions policy for further information
