Dear Families,

CELEBRATING READING - Book Fair Year 7, 8 and 9

As part of our programme of activities to celebrate the National Year of Reading, we have arranged for a **Scholastic Book Fair** to be held in the school for KS3 students. **The Book Fair will arrive on Thursday 24th September and be with us until Thursday 8th October**, just in time to choose some fabulous new fiction for the longer winter evenings. Where possible, Year 7 will attend during their Library lesson and Year 8 and Year 9 will visit during an English session. **The attached timetable gives details of class visits.**

Reading in all its forms plays a vital role in supporting every aspect of learning. Moreover, when we read we relax, which boosts our sense of wellbeing and promotes good mental health.

The Book Fair provides an excellent opportunity for students to see a large selection of the very latest titles created to spark the imagination and nurture a deeper understanding of the world around us. Some of these books are at reduced prices.

We will be taking cash payment for books so do please encourage your child to join in by bringing some pocket money into school that week to buy a book. You might like to know that your support for the Book Fair has the additional benefit of generating a generous level of commission, which enables us to buy many extra books for the school library.

Yours faithfully,
