

Langley Park School for Girls

Enabling everyone to thrive – acting with kindness, determination and respect.

Headteacher: Mr S Whittle, MA (Cantab), PGCE, NPQH

3rd September 2026

Dear Parents/Carers,

Contribution to Design and Technology Materials

All students at Langley Park School for Girls study Food, Design and Technology in Years 7 and 8. We are fortunate to be able to offer pupils opportunities to work with Food, DT and Textiles and use a carousel system which ensures all pupils receive the same experience.

It is anticipated that each student will produce items in all of these areas that can be taken home once complete. The Visual Arts Department purchases all the materials required for these areas.

We do ask parents to provide some of the ingredients in Food. However, to keep the cost to a minimum we do provide ingredients needed in small quantities that you may not have at home; for example dried yeast, herbs & spices as well as foil dishes, cling film and foil for covering and transporting dishes home.

To make this possible, we ask parents/carers to make a voluntary contribution of **£15.00** per year. This covers all the items made by students in these lessons as well as all the materials they need throughout the year.

Your contribution can be made by using the on-line MCAS payment system 'D&T CONTRIBUTION 2026-27 (YEARS 7 and 8)'.

Yours faithfully,

Edward Fox Joyce
Head of Visual Arts Faculty
