Dear Parent/Carer,

## Elevate Education – Study Skills Workshop & Free Parent Webinars

I am pleased to let you know that we have arranged for our Year 11 students to take part in an interactive Study Skills Workshop to boost their preparations for their GCSE's. The purpose of this session is to support their revision and progress throughout the Spring Term, helping them to prepare for their exams with confidence.

The session, delivered by **Elevate Education**, will take place during lessons 1 or 2 on **Monday 12<sup>th</sup> January**. The workshop, titled "**Ace Your Exams**," will focus on developing essential independent study skills, motivation, well-being, and practical exam preparation techniques. During the session, students will explore:

- Common exam preparation mistakes and how to avoid them
- How to use feedback from trial exams to identify areas for improvement
- Acute stress management strategies, including how to stay calm and focused during an exam

In addition, **parents and carers** can access **free monthly live webinars** from Elevate Education, designed to help you support your child's learning at home. These webinars have been attended by over 12,000 parents each term and offer valuable insights into reinforcing study habits outside of school.

If you can't attend the live session, you can still sign up and Elevate will send you a recording the following afternoon.

Thank you for your continued support.

Yours faithfully,

**Emma Ashman-Clark**
