Dear Families,

Elevate Education – Study Skills Workshop & Free Parent Webinars

To support effective revision over the Easter break, we have arranged an interactive **Study Skills Workshop** for our **Year 11 students** on **Friday, 4 April**. This session, delivered by **Elevate Education**, will focus on essential independent study skills, motivation, well-being, and exam preparation techniques.

In addition, **parents and carers** can access **free monthly live webinars** from Elevate Education, designed to help you support your child's learning at home. These webinars have been attended by over 12,000 parents each term and offer valuable insights into reinforcing study habits outside of school.

Upcoming Parent Webinar – Exam Preparation

 **Tuesday, 11 March**

 **6:00 – 7:00pm**

This session will cover:

- ✓ How to help your child **prioritise high-impact revision** to maximise marks
- ✓ **Effective time management** strategies to avoid last-minute cramming
- ✓ How to use **past papers** to improve exam performance

If you can't attend the live session, you can still sign up and Elevate will send you a recording the following afternoon.

Exam Compliance and Final Preparations– Parent Information Meeting

As we approach the **2025 public examinations**, we invite **Year 11 parents and carers** to attend an important meeting outlining the **exam compliance regulations** that all examination centres must follow, as set by the **Joint Council for Qualifications (JCQ)**. We will additionally be discussing in-school arrangements during the summer examinations.

 **Thursday, 24 April**

 **5:30pm**

 **Main Hall**

To register your attendance at this event, please sign up [here](#). Your attendance will help ensure that both students and parents/carers are fully informed about the expectations and requirements for the upcoming exams.

Thank you for your continued support.

Yours faithfully,

Emma Ashman-Clark
