Dear Parents and Carers,

Re: Hot Weather Arrangements – W/C 6th July 2026

I am writing to inform you that forecast temperatures for next week (W/C 6th July) indicate a period of hot weather. In order to support the comfort and wellbeing of students during these conditions, we will be making a temporary adjustment to our uniform expectations. This follows the approach previously adopted during periods of extreme heat.

Uniform Arrangements

Students will be permitted to wear their school PE kit throughout next week should they wish to do so. Alternatively, students may continue to wear full school uniform; however, blazers and cardigans will not be required.

Students should ensure that whichever option they choose is worn correctly and remains in line with our published uniform policy.

Our PE kit is:

PE polo shirt (with school logo)

Navy skort

Navy core shorts (mid-thigh length cycle shorts) or black sports leggings

Staying Safe in Hot Weather

We would be grateful if you could encourage your child to:

- Bring a refillable water bottle to school each day.
- Apply sun protection before arriving at school where appropriate.
- Take sensible precautions when spending time outdoors during breaks and lunchtimes.

School Day

We expect after school activities and detentions to take place as normal and the school day will finish at the normal time of 3.10pm.

We will continue to monitor the weather forecast and ensure that appropriate measures are in place to support students and staff during the warmer conditions.

Thank you for your support.
