

Langley Park School for Girls

Enabling everyone to thrive – acting with kindness, determination and respect.

Headteacher: Mr S Whittle, MA (Cantab), PGCE, NPQH

14th October 2026

Dear Families,

Macbeth at Greenwich Theatre - Wednesday 4th November

With half-term fast approaching, I wanted to write to you regarding the planned theatre trip during the first week back. Thank you for providing consent on Evolve and making a £15 contribution via MCAS. This has ensured that the planning has run smoothly. A few more details are outlined below for your information.

Travel

Whilst we have applied for free travel using the TFL Schools Travel Scheme, we must mitigate the possibility of the application not being granted. This hasn't happened before, however, all students must have enough **funds loaded onto their Zip Oyster card/a contactless card to travel to & from Eden Park Station.**

Students will travel in smaller groups, and the whole cohort will not be taking the same train at once. This is to ensure safety on the train and travel in between.

Students will be travelling with their English class and teacher. For safety, they must not join another group or walk away from their class at any point during the trip. They will be seated in the theatre with their class.

If you would like your child to disembark from a station other than Eden Park on the return journey, then they will need a note written in their Learner Handbook to show their teacher.

Lunch

Students should bring a packed lunch as we leave before lunchtime. If students are in receipt of free school meals, they can collect a packed lunch from the canteen at the start of the school day. Students can eat on the train or before we enter the theatre. Students are not allowed to eat food purchased or brought from home once we are inside the theatre.

Medical needs

If your child carries medication and needs it throughout the day, e.g. an inhaler, or an EpiPen, then they must have this on them. Staff will be carrying a First Aid kit. We also ask that snacks taken on the trip remain nut free, as they would in school. If your child has an allergy, then they need to remain vigilant when sharing/purchasing food.

Important information for students

Students will receive important information regarding groupings, meeting points for registration, and a safety briefing in an assembly the day before the trip. They will also receive information regarding mobile phones as they will not be handing them in during AM form time registration as normal.

If you have any further questions regarding the day, please do not hesitate to contact your child's English teacher. Alternatively, you can email me on jw@lpgs.bromley.sch.uk.

Thank you for your continued support. I know that this is going to be an exciting day and a great opportunity for students to experience a performance of one of their set GCSE texts.

Yours faithfully,

Ms J Walker
Head of English
