Dear Parent/Carer,

YEAR 7 ONLINE PARENTS' EVENING

We are pleased to invite you to a subject consultation evening on **Thursday 29 January** when teaching staff will be available between 4pm – 7.00pm to meet with parents and carers to discuss their child's progress and achievements.

Please note that a few teachers who do not work on Thursdays will be unavailable for appointments on this date. These teachers will be offering their video consultations on **Wednesday 28 January** instead.

We will be using video calling for all appointments. Information on how this works can be found here:

[Video: Parents - How to attend appointments over video call - SchoolCloud Parents' Meetings](#)

You will be able to book appointments with teachers using an online booking system. Please see below how to do this. You will be able to book your appointments from **8pm on Thursday 22 January until 8pm on Tuesday 27 January**. In order to allow as many parents/carers to book appointments as possible, we have placed a limit of 8 appointments per person. This limit will be lifted on the morning of **Tuesday 27 January**, when you will be able to log back in and book any available slots with your child's remaining teachers. We have made every effort to allow you to book as many appointments as possible, though it is not always possible to meet with every teacher.

If you cannot meet your child's subject teacher on the night but still wish to discuss their progress, you can request a consultation by emailing the school.
