

Langley Park School for Girls

Enabling everyone to thrive – acting with kindness, determination and respect.

Headteacher: Mr S Whittle, MA (Cantab), PGCE, NPQH

22nd September 2026

Dear Parents/Carers,

Enrichment

At Langley Park School for Girls, enrichment is an integral part of our commitment to **Enabling Everyone to Thrive**. We believe that every student should have access to a broad range of meaningful experiences that complement academic learning, develop character, strengthen wellbeing, foster a sense of belonging and prepare them for future success. Our enrichment programme is intentionally designed to reflect the values, vision and curriculum of the school whilst supporting the personal development of every student.

Our enrichment offer is underpinned by the principle that participation in high-quality enrichment helps young people develop skills, confidence, aspirations and positive relationships. Through clubs, societies, sport, performing arts, leadership opportunities, volunteering, cultural experiences, careers activities and community partnerships, students are encouraged to discover new interests, develop existing talents and contribute positively to the world around them.

We are launching **SOCs** and requesting students or parents/carers sign up for our clubs and enrichment activities.

SOCs is a website designed to help students and parents/carers access and engage with the wide range of enrichment opportunities available at LPGS. It provides information about clubs, trips, leadership roles, cultural activities, and other experiences, enabling students to explore opportunities, develop new skills, and make the most of school life beyond the classroom.

We believe this will provide students, parents and carers with an easier overview of the enrichment activities on offer to students at LPGS. This will also assist us greatly in taking registers and tracking student participation.

SOCs does not have an App, however, it is very straightforward to create a website bookmark on your phone home screen, which then performs just like an App.

Add a Website to Your Home Screen

If you want an app-like shortcut on your home screen, you can follow the steps outlined by [MacRumors](#):

- Open **Safari** and go to the webpage.
- Tap the **Share** icon at the bottom of the screen.
- Scroll down the list of options and tap **Add to Home Screen**.
- Type a name for the shortcut icon.

WE HAVE
ACHIEVED

<https://www.socscms.com/login/>

Click on the link above to access the site, then enter the name of the school and select Langley Park School for Girls from the list. Parents and carers can then create an account using the email that the school has registered for them. Enter this address and click 'forgotten password', in order to receive a link.

When accessing the site you will have 'Available Activities' listed on the screen (as shown above). Clicking into the categories will provide more details. For example, clicking on the 'Monday After School' Category will provide all the details for any clubs available to your child, within that category.

Please log into the site with your child and have a look at the enrichment options available, it is possible for parents, carers or students to add themselves to the register for most of the activities.

Yours faithfully,

Mr P Seward
Deputy Headteacher
