Dear Parent/Carer,

LPGS School Fund

At Langley Park School for Girls students can achieve great qualifications, outcomes and destinations. However, we know that academic success is not the only thing that matters about school life.

Our vision is to be a school that enables everyone to thrive both during and beyond their years at school.

An important part of our offer is the learning that happens beyond the classroom:

- a wide range of extra-curricular clubs, music and sporting opportunities
- an exciting array of trip opportunities
- placing importance on the visual and performing arts
- a vibrant and relevant careers and futures offer
- providing opportunities for students to be leaders.

These experiences are vital so that students can:

- discover and explore wider interests
- forge wider friendships and connections with students
- strengthen that sense of belonging that is so important for wellbeing
- make lasting memories.

We are asking for your help.

It is no secret that school budgets are under ever increasing pressure and we want to continue to offer all these opportunities, and ideally widen them further!

We continue to offer a wide extra-curricular programme and have been able to make improvements to our performing arts facilities with parental contributions from our school fund. This summer, we also purchased additional outdoor picnic tables, benefitting all students in school.

By donating to our School Fund and giving a regular amount or annual donation to the fund, it makes a real difference to the school being able to keep resources and equipment up to date, enriching and enhancing the unique and special opportunities available to your child/children. The amount you donate is entirely your decision, but £10 per month or £120 per year is a suggested contribution rate.

In addition, if you are a UK taxpayer and you are able to make a Gift Aid declaration which allows the school to claim tax you have already paid back from the Inland Revenue, meaning that every pound you donate will be worth an extra 25 pence. Please tick the relevant box when prompted on the JustGiving platform.

Please follow the link Langley Park School for Girls School Fund - Just Giving or scan the QR code to get started.

Regrettably, due to the nature of anonymous donations—specifically when the option **"Donor Further Contact - No"** is selected—we are unable to access the contact details of parents and carers via JustGiving. This limitation prevents us from sending individual thank-you letters to each donor. We do, however, want to express our thanks to all who make valuable donations towards our school fund.

Thank you in advance for your support of the school.

Yours faithfully,

S J Whittle
