

Langley Park School for Girls

Enabling everyone to thrive – acting with kindness, determination and respect.

Headteacher: Mr S Whittle, MA (Cantab), PGCE, NPQH

15th September 2026

Dear Families,

We are excited to give LPGS6 Psychology students the opportunity to visit the Psychology Live Conference at Disneyland Paris on Sunday 28th February to Tuesday 2nd March 2027.

The Psychology Live Conference is a day of lectures on Monday 1st March and includes the following presenters:

Dr Sophie Bostock is a Sleep Evangelist on a mission: to help millions of people to improve their lives by unlocking the science of sleep and performance.

Lee Chambers is the founder and CEO of Male Allies UK

Professor Richard Wiseman is a world-renowned psychologist, author, and magician who blends science, storytelling and humour to examine the extraordinary.

Dr Matt Pritchard is an award-winning magician, comedian and science and maths communicator who brings learning to life through curiosity, creativity and wonder.

These lectures will give insight into these subjects, which are studied in the Psychology A-level and give the opportunity for deeper understanding.

We will travel by coach from Langley Park School for Girls on Sunday morning (28th February). The exact timings will be confirmed shortly. We will take a ferry from Dover to Calais then drive to accommodation near Disneyland Paris.

The total cost is dependent on numbers, and the method of transport may change if numbers are lower than 40 students, but it will be approximately £532 which will include accommodation, breakfast and also entry into Disneyland Paris for Sunday and Monday. Therefore, students will also need money for their lunches and dinners and any spending money.

This is a voluntary trip and we are asking for an initial **non-refundable** deposit of £150, payable via MCAS, by **9am on Friday 18th September**. The second instalment of £150 will need to be paid by 21st October with the remaining balance due by 16th November. Please note that this cost is subject to change depending on factors such as numbers and modes of transport.

If students are in receipt of a bursary and wish to use this towards the cost of the trip, they should contact Ms Bidder to check their allowance and arrange for payment to be made. There is a small fund available to help students in need, please see our [website](#) for more information (scroll down the page and click on "Other Information" then "Request for Financial Assistance").

If insufficient voluntary contributions are received, it may not be possible to proceed with this trip. If this is the case, deposits will be returned.

Please note that any student may be removed from the trip should their behaviour be a cause for concern in school.

Please check that your child has a valid passport that is not within 6 months of expiring from March.
