Dear Parents and Carers,

## Re: Update on School Uniform Supply

We are writing to provide you with an important update regarding the supply of school uniform for Langley Park School for Girls.

Following a comprehensive tender process, we are pleased to inform you that the school has appointed [Price & Buckland](#) as our new supplier of school uniform.

Price & Buckland is a well-established, national supplier of schoolwear, working with a large number of schools across the UK. They are recognised for providing high-quality uniform alongside a reliable and efficient service to schools and families. We are confident that their experience and infrastructure will ensure a smooth transition and improved provision for our community.

Price & Buckland are expected to take over the supply of our school uniform from our existing suppliers in early June. At this point, they will launch their online shop, which will stock the current range of uniform items. From this point onwards, Price & Buckland will become the sole supplier of all school uniform, including PE kit.

In addition to the specific branded items required for Langley Park School for Girls, Price & Buckland also offer a range of non-branded and additional uniform items at competitive prices. We believe this will be beneficial for families, providing greater flexibility and value. They also offer a number of customer benefits, including:

- Competitive pricing
- Promotional discounts/bundles
- Free delivery on orders over £65
- Free returns
- Delivery to, and collection from, the school

Following a redesign of our school blazer, Price & Buckland will be inviting pre-orders for the new blazer, alongside uniform orders for students joining Year 7 in September. To support families with sizing, we will be hosting fitting evenings in school later this term. In addition, sizing kits will be available in school at designated times, alongside detailed online guidance to help ensure correct fit.

We would also like to take this opportunity to remind families that our [school uniform policy from September 2026](#) is now available on the school website, following our earlier consultation and communications. Please be reassured that existing items of uniform will remain acceptable for the foreseeable future, as we gradually phase in the new school blazer and optional PE kit items.
