Dear Parents/Carers,

As we start another academic year, I would like to take the opportunity to inform you of all the exciting events and opportunities on offer this academic year in the Music Department. We will include even more opportunities throughout the year as they become available e.g. Care home performances, trips to live concerts but the calendar of events already promises to be another exciting year!

For parents/carers of new Year 7 students, please can I draw particular attention to their first ever concert at LPGS which is mid-November and involves the whole year group (highlighted below).

Ticket details for all evening events are included below as well as the students who are invited to participate in each one. If the event is ticketed, they will go on sale on Ticket Source (www.ticketsource.com) two weeks prior to it. Students involved in each event will be briefed on specific details e.g. Dress codes, arrival times. Soloist auditions will take place a week before each event where applicable.

Please add these to your diaries to avoid any clashes...
