Dear Parents and Carers,

We were delighted to welcome you to our Information Event on Tuesday 9 September. We hope you found it useful.

In case you were unable to attend, or would like to revisit the presentations delivered, we have posted the slides on the school website; <https://www.lpgs.bromley.sch.uk/home/parents/information-presentations/>

A reminder that past exam papers are freely available to download from all exam board websites.

Below are a list of examination boards, information about study skill support seminars and further information about Maths.

As we emphasised in our presentation, please do encourage your child to work hard, eat well and get plenty of rest this year. Thank you, as ever, for your continued support of your children and us. We hope they have enjoyed a positive start to Year 11.

Yours faithfully,

Mrs L K Brown
