Dear Parents/Carers,

Year 12 Autumn Assessment Week - Monday 23rd November – Friday 27th November

I am writing to remind you that the first Vocational and A-level assessment period is approaching for all Year 12 students. I hope that the timetable below is helpful. Should you or your child have any questions, please do not hesitate to contact the relevant subject teacher.

Assessments will take place during normal lesson time. Details of assessment content, revision topics and timings will be communicated directly to students by their teachers. Students are expected to attend all lessons throughout the assessment period, as normal teaching and learning will continue alongside the assessments.

These assessments are designed to provide a thorough review of the content studied so far and offer an important opportunity to evaluate progress. Students are encouraged to speak to their teachers next week for specific guidance regarding the content to be assessed and the types of questions they can expect, such as extended responses, essays, data analysis, or factual recall.

The outcomes of these assessments will provide an early indication of each student's progress within their examination courses. They will help identify areas of strength, celebrate success, and highlight any areas requiring further development and support as students continue their studies.

Please note that vocational courses completed their assessments in the Year 13 trial exams window and that Visual Arts subjects complete a 2-day assessment in the Spring Term.

Student performance will be collated and distributed to parents/carers in the first week of January.

Wishing all Year 12 students the very best as they prepare for these assessments.

Your faithfully,

Mrs Emma Ashman-Clark
Deputy Headteacher
