Langley Park School for Girls

Enabling everyone to thrive – acting with kindness, determination and respect.

Headteacher: Mr S Whittle, MA (Cantab), PGCE, NPQH

9th November 2026

Dear Parents and Carers,

Year 12 Induction

As we start the second half of the autumn term, I would like to congratulate our Year 12 students on a fantastic start to their Sixth Form journey. It has been a pleasure to welcome such a lovely and enthusiastic cohort, and we are proud of the way they have settled into their new courses and responsibilities. We celebrated the end of induction period on 14th October with students choosing a reward of Padel or a film.

Year 12 Assessments starting 23rd November

Students have now completed their baseline assessments, which will help us identify strengths and areas for development early in the year. They will receive detailed feedback and support from their teachers in the coming weeks to help them prepare for their next round of assessments, which will take place from 23rd November. Please encourage them to access the resources in the Learning Hub and use them during their Guided learning sessions.

Prefect Applications

We are also pleased to announce that prefect applications will open next week. This is a valuable opportunity for students to take on leadership roles within the school and contribute positively to our community. Details on how to apply will be emailed to students directly and discussed during form time.

Attendance and Punctuality

We would like to take this opportunity to remind families of the vital role that attendance and punctuality play in student success. Being present and on time to lessons ensures that students do not miss valuable learning, can fully engage with their subjects, and maintain consistent progress. Regular attendance also helps build strong routines and a sense of responsibility—skills that are essential for both academic achievement and future pathways. We appreciate your continued support in encouraging your child to attend school every day and arrive promptly to all lessons.

We've noticed an increase in the number of students requesting to leave school early due to headaches and period pain. While we appreciate that these symptoms can be uncomfortable, we encourage students to manage such conditions in the same way they would be expected to in the workplace. In most cases, these symptoms can be effectively managed with appropriate pain relief and self-care measures. As a result, requests to leave school early for headaches or period pain will not normally be authorised where the condition can be reasonably treated and the student is otherwise well enough to remain in school.

We look forward to continuing to support Year 12 as they grow in confidence and independence over the coming months. Thank you for your ongoing support.

Yours faithfully,

Siobhán Osborne

Assistant Headteacher Sixth Form

Sandrine Galbert

Head of Year 12
