Dear Parents/Carers,

Re: Year 7 Assessment Weeks: 30th November – 11th December

We are writing to inform you about the upcoming Key Stage 3 (KS3) Assessment Weeks, scheduled to take place for Year 7 between **Monday 30th November and Friday 11th December**. These assessments will occur during normal lesson times and are designed to provide valuable insights into your child's progress across their subjects.

To support your child's preparation, form tutors will be sharing the timings of each assessment which will be documented in the Student Learner Handbook. We encourage you to discuss this with your child and support them in creating a manageable revision schedule at home.

In addition, on Friday 20th November, Year 7 will take part in a Revision Tips and Strategies workshop. The workshop is structured to consider:

Revision methods - finding a method that works well for the individual, such as flash cards, mind maps, and peer teaching.

Healthy habits - sleeping, eating, and screentime habits will be looked at, along with their advantages and disadvantages.

Our approach is intended to help students take ownership of their learning and develop effective revision strategies.
