Dear Parent/Carer,

YEAR 9 AND 10 SPANISH EXCHANGE 2026-27

I am very pleased to inform you that we are resuming the Spanish Exchange with our long-standing partner school *Colegio Cisneros Alter* in La Laguna, Tenerife. Once again, we are able to offer your child the chance to visit one of Spain's beautiful islands with ample opportunity to use the Spanish they have learned so far and to extend their understanding of Spanish culture, school and family life. During the day we will take part in cultural and educational excursions in town and around the island and we will spend time at the Spanish school in order to experience the Spanish school day and way of life. Your child will spend the evenings and weekend with their exchange partner and their family where they will gain insight into the usual day to day life of a Spanish family. **It is important that your child considers the nature of an exchange before applying, as it is different from a normal school trip.**

Key information:

- The Spanish students plan to visit us for a week from **Wednesday 25th November – Wednesday 2nd December 2026**. Our trip to Tenerife is planned from **Thursday 4th – Thursday 11th March 2027**. Dates will be confirmed when we are able to verify flight availability and prices.
- This is an optional trip and the total cost is **£507.50** and will include flights, transfers and activities, as well as a trip to the theatre in London when the exchange students are here. Once your child's place on the trip is confirmed, you will be emailed and invited to make a **non-refundable** deposit payment of **£107.50** via MCAS and you will be given the dates of the further instalments. This is a voluntary contribution but if insufficient funds are received, the trip will not be able to take place. Please note that the total cost may be subject to change depending on flight costs. If you require a financial assistance form, please access it on the school website, under "Request for financial assistance" or via this link: <https://www.lpgs.bromley.sch.uk/home/about-us/policies-and-information/>
- As our partner school is mixed, we strongly rely on families to be able to host a boy from our partner school. Consequently, if you have a spare room or if there is a male sibling who could share a room with the Spanish student, then please indicate so on the Microsoft form.
- Priority will be given to those who can host a boy, students in Year 10, and those who have not been on the Exchange before. After that, places will be chosen via a ballot.
- We are required to complete a DBS check on each of our host families, which will require each family member over the age of 18 to come into school with their ID. More information to follow, should your child get a place on the trip.

Please note that any student may be removed from the trip should their behaviour be a cause for concern in school.

Please complete this [form](#) to register your interest by **Monday 14th September**. Please only complete the form if you have discussed the exchange with your child and they would definitely like to take part. You will be emailed in the following weeks to tell you if your child has a place or if you are on the waiting list.
