Dear Parents and Carers,

Re: Year 9 Assessment Weeks: Monday 18th May – Friday 5th June

Year 9 students will be completing their Summer Term assessments during the last week of Summer Half Term 1 and the first week of Summer Half Term 2.

As with the Autumn Term series, all assessments will take place during normal lesson times. These assessments are designed to provide valuable information about your child's progress across their subjects and to help teachers identify the next steps in their learning.

On Wednesday 15th April, Year 9 students attended an assembly in which revision planning approaches were revisited. This included guidance on how to create an effective revision timetable. Students have since been issued with:

- a blank revision timetable
- a blank assessment timetable

Over the course of the last two weeks, teachers have been supporting students during lessons to:

- record the date and lesson period for each assessment
- identify and note the specific content they need to revise for each subject

This support is intended to help students feel organised, prepared, and confident ahead of the assessment period.

A copy of the assessment schedule can be accessed [here](#). Please note: whilst we aim to commit to this schedule, there may be unforeseen circumstances where the assessment may be postponed until the following lesson.

If you or your child have any questions about the assessments or would like further guidance, please do not hesitate to contact your child's subject teachers or form tutor.

Thank you for your continued support.

Yours faithfully,

Mrs E Ashman-Clark
Deputy Headteacher
